RATE SCHEDULE

SCHEDULE ID DESCRIPTION

C Gross Monthly Rate

The Gross Monthly Rate for each commercial customer for gas service and all consumption each month shall be composed of the following:

- 1) \$20.00 Customer Service Charge(s); plus
- 2) The Commodity Charge, which is composed of the Adjusted Cost of Gas, plus a Commercial Capacity Charge of \$4.00 per MCF.

Cost of Gas

The Adjusted Cost of Gas for the current billing cycle shall be computed to the nearest cent (\$0.01) as follows:

A = C (1 + (LUG) Where: A = Adjusted Cost of Gas for the current billing cycle. C = The weighted average cost of gas per MCF purchased by Company for the current billing cycle corrected for billing adjustments in previous periods. P = The MCF volume of gas purchased during the most recent 12-month period ended June 30. S = The MCF volume of gas sold during the most recent 12-month period ended June 30. LUG = means (Lost and Unaccounted for Gas) and is defined as the smaller of 0.05 or (P-S)/P, for the most recent 12-month period ended June 30.

TaxAdj

TAX ADJUSTMENT CLAUSE:

The Company will pass on Municipal and County Taxes to the Local Customers by adding to each Local Customers monthly bill a separate line item identified as Franchise Adjustment, an amount calculated on an equal-per-meter basis (as nearly as may be possible in practice, minimizing any over or under collections) determined in accordance with the provisions set forth below. As used herein, the terms Municipal Tax and County Tax refers to any and all privilege, occupation, franchise meter, gross receipts or other tax or assessment of whatever kind and by whatever name (except ad valorem taxes) now and at any time hereafter levied on the Company. Local Customers refers to each and every residential and commercial customer within the geographical boundaries or taxing authority of the taxing government entity.

Schedule C1

COMMERCIAL CUSTOMERS APPLICATION OF SCHEDULE: This schedule is applicable to all commercial customers receiving individually metered gas service in the Companys service area in the western portion Montgomery County, and the eastern portions Waller and Grimes Counties, Texas. Natural gas supplied hereunder is for the individual use of the customer at one point of delivery and shall not be resold or shared with others. Where service of the type desired by customer is not already available at the proposed service location, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished. Service under this schedule shall be furnished in accordance with the Commissions Special Rules of Practice and Procedure and Substantive Rules and the

SCHEDULE ID DESCRIPTION
 SCHEDULE R1

RESIDENTIAL CUSTOMERS APPLICATION OF SCHEDULE: This schedule is applicable to all residential customers receiving individually metered gas service in the Companys service area in the western portion Montgomery County, and the eastern portions Waller and Grimes Counties, Texas. Natural gas supplied hereunder is for the individual use of the customer at one point of delivery and shall not be resold or shared with others. Where service of the type desired by customer is not already available at the proposed service location, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished. Service under this schedule shall be furnished in accordance with the Commissions Special Rules of Practice and Procedure and Substantive Rules and the Companys General Rules and Regulations, as such rules may be amended from time to time.

RESIDENTIAL CUSTOMER SERVICE CHARGE:
 1. First Meter at Customers Service Address: \$13.00 per month or portion thereof.
 2. Second Meter at Customers Service Address: \$7.00 per month or portion thereof.

PAYMENT: All bills shall be rendered on the gross basis. All bills shall be delinquent unless payment is received within fifteen (15) days from the date of the bill. The difference between the gross and net monthly rates, representing a discount, shall be allowed for payment of bills received in the Companys offices within ten (10) days from the date of the bill.

DEFINITIONS AND ADJUSTMENTS: Residential Customer: An individually metered, single, private dwelling and its appurtenances, used for household appliances, fireplaces, gas lights, water heating, cooking and heating for the personal comfort and convenience of those persons residing therein. This classification excludes stand-by electrical power generating equipment.

PSF2017Con

The Company will pass on the one-time customer charge for the Pipeline Safety Inspection Fee in the amount of \$0.97 for each service line reported to be in service at the end of calendar year 2017, pursuant to the Texas Utilities Code 121.211 of the Commission's Rules and Regulations. That fee is based on the \$1.00 per service line.

Net Monthly Rate1

The Net Monthly Rate is the Gross Monthly Rate excluding the Adjusted Cost of Gas discounted by 5%.

R Gross Monthly Rate

The Gross Monthly Rate for each residential customer for gas service and all consumption each month shall be composed of the following:
